How to use HONKAPP: the mobile app to pay for parking on your phone

1. Download the HonkMobile App from the AppStore or Google Play
2. Create your free account
3. Add your license plate & payment method (Apple Pay, Google Pay, PayPal & all major credit cards)
4. Select the time you want to park for, confirm your license plate, & hit pay
4. Add more time from anywhere! You can opt-in to receive text reminders 15 minutes before your parking expires

How to use HONKTAP: the quick guest checkout experience -- no app, just scan & go!

You can scan the QR code on designated signage on-site to pay for your parking for easy, contactless payment without downloading the app!

1. Find this sign (include example of sign) in the parking lot -- open your camera and scan the QR code
2. Follow prompts on-screen
3. Select time, enter license plate & payment information (Apple Pay, Google Pay, PayPal & all major credit cards)
4. Opt-in for email receipt & ability to add more time from your phone
